Who we are?

We are **Carles Gomila** and **Jorge Fernández Alday**, two artists who organize workshops with great masters at paradise. We love meeting people like you, and we make sure that on your getaway to Menorca Pulsar you only breathe paint and good vibes.

During our workshops, you will live in a rural state, where you will be surrounded by nature and be 'super' well attended for. At the mansion we gather artists from all over the world with the purpose of painting at full throttle and living with a great teacher.

We are our first customers, and we are 'very' demanding. We know that you would love to get to know the teacher and the rest of the participants better, have some mojitos, talk until the wee hours about painting and so many other things. So we decided to create our dreamed Art Retreat.

So, we knew from experience that the island of Menorca was the perfect place. We pulled our socks up and made it happen. During Spring and Fall –two magical seasons at the island where everything is in perfect calm– a teacher and a tribe of art lovers come together in order to share work and free time.

See you in Menorca!

Carles & Jorge

Biniatram, Art Retreat

WATCH THE VIDEO

Biniatram is a rural house located in the north of the island of Menorca, very close to **Ciutadella** and **Cala Morell**, and just five minutes away from a protected natural area that includes the virgin beaches of **Algaiarens**.

The name comes from the Arab period: *Bini* means "sons of", and *Atrum* means "Christians". The history of Biniatram dates back to the year 1200, although the current house was built between the 17th & 19th centuries.

For 50 years the house has belonged to the Tomás Juaneda family, who in the 90s turned it into the first agrotourism place on the island. Currently, their lands are dedicated to the cultivation of fodder.

The rooms have all the comforts and the house has a swimming pool, garden, chapel, bar, and a sports area. It also has a private road to the north coast, surrounded by pastures and forests.

And what to say about food? It's homemade, farm-to-table, and made with local products.

Ah... did I mention that at Biniatram we do have a 3.900 sq ft. studio?

Who is this workshop for?

We all know, better or worse, the basic notions of drawing, color, edges and brushstrokes. It's within the art books, super well explained... right?

However, knowing at a theoretical level how the most basic things work does not guarantee that we can perform well on a practical level.

We collapse by putting everything together at the same time because we lack experience and practical vision. Because you learn to paint by painting, not by studying how to paint.

But there are two other things that we need, in

addition to practice, to strengthen all these notions:

1. Observing how someone better than us does it.
2. That a good mentor tells us what we are doing well, and what we are doing wrong.

This is a workshop aimed at those artists who know that the experience of observing live demonstrations is fundamental to understand everything that books can't describe.

And if the demonstrations and mentoring come from the hand of an artist like Nick Alm... what more could you ask for?

Perfect
for you if...

- You want to learn to observe and synthesize the model better.
- You want to learn to paint more economically and efficiently, without renouncing expressiveness.
- You would love to meet more people like you, participate in talks about art and live with Nick Alm.

NOT
for you if...

- You have never painted a human figure in oil.
- You are not interested in classical procedures.
- You are not good at socializing with other artists, participating in talks, etc.

Program

Basic information

Workshop: *Figure and portrait painting from life.*

Teacher: Nick Alm.

Assistaint: Jorge Fernández Alday.

Students: 12 minimum – 18 maximum.

Place: Biniatram, Island of Menorca (Spain).

Language: English. The workshop assistant speaks Spanish, Catalan and English.

Days: 5 days workshop, 6 nights residency.

Models: there are two models at a time in each session.

Cohabitation: the students stay at the same house as Nick Alm.

Workshop dates:

Reception – October 11th, 2021.

Workshop – October 12th to 16th, 2021.

Check out – October 17th, 2019.

What will you learn?

This workshop is 100% focused on consolidating the most fundamental notions of painting: drawing, color, edges and brushstrokes. Nick will teach you to better observe the model, to discriminate information and to synthesize the form.

Every morning Nick will perform a three hours live demonstration.

Then, in the afternoon, you will paint the same exercise from life while the teacher walks around correcting.

In total you will paint 2 to 4 poses, portraits and nudes, of male and female figures, depending on the needs and rhythm of the group.

Our recommendations

The most important

Take notes – Bring a notebook, have as many coffees as you need and take notes during the class as if your life depended on it. Your notes are a treasure you'll want to read again once you're back to the real world.

Do not be afraid to ask – The teacher is at your disposal, if something was not clear enough to you or you need a concrete explanation, do not hesitate and make the most of this opportunity to learn from one of the best ones.

Do yourself a favor and take it easy – In class, new ideas are rehearsed, it's not about painting artworks. If you accept this from the beginning everything will go smoothly and you will make the most of the experience. These workshops are not designed for you to take home a handful of pretty paintings.

They are designed to deeply transform your way of observing and making decisions, and you will be pushed out of your comfort zone.

Think in the medium term – Keep in mind that this five-day intensive experience is a medicine that takes a few months to develop its effect. You will need time to absorb everything properly and observe progress.

The good news

The teachers are 100% dedicated to this experience turns out to be transforming as well as pleasant and enjoyable, so you'll have a great time while you learn a lot.

Keep in mind that participants come from all over the world and you will meet very interesting people. Lifetime friendships are set in here.

The bad news

This experience will be very intense and the rhythm will be fast so you'll absorb LOTS of material in a little time.

If you're more like a beginner, the worst thing that can happen to you is that you learn a lot. But you should keep in mind that maybe you can't absorb everything in just five days.

So... Take it easy! ;)

The best things are always out of the program!

There is a program, but the core is always off the agenda. During the meals, in the evenings, at the gardens, by the pool... we will talk about painting all the time.

You'd better start thinking about what you will ask to the master!

Of course, we want you to take the most out of this great artist and ask him whatever you want to know about his creative process, his methods, his training, his sources of inspiration, his obsessions, etc.

All the teachers are artistic beasts with an overwhelming professional career and training, so we're sure you have a lot to learn from them beyond the walls of a studio.

Well, what would you like to know beyond the program?

Information

Companion — If you choose a single room or a private apartment, you can come with a companion. Due to capacity there's a maximum of one companion per attendant.

Usually, those who choose this option also choose a rental car so they can spend free time visiting the island, it's worthy.

Material — If you choose this option, you'll have all the material needed waiting for you at your room. We recommend this option if you want to travel light and avoid problems at the airports.

Keep in mind that we need enough time frame to order materials, so do not leave it until the last day.

Other needs — If you need extra accommodation or rental car days, or whatever else you may need... just tell us and we'll prepare a tailored budget for you.

Food and beverages — Residency includes 3 meals a day: breakfast, lunch and dinner, as well as water, coffee, tea and soft drinks for studio breaks (beverages out of the studio are not included).

Special dietary needs must be notified in advance in order to be properly satisfied, but keep in mind that we DO NOT attend to personal preferences.

Schedule — Believe me, it's not easy to set a meal schedule that suits everyone: what is almost snack time for a Spanish, is late for a British...

We have established balanced schedules so that the effort each student must make for adapting, wherever he comes from, is as minimum as possible.

Alcohol — We're a company dedicated to education, so legally we cannot provide alcohol, which doesn't mean you can't buy it at a reasonable price. We have a bar service in the afternoon and evening, with beer, wine, mojitos, etc.

Farewell dinner — It depends on how many people and restaurants availability so we organize it a just a few days before. We usually have a GREAT dinner for around 35-40€.

Laundry — The apartments have their washing machine and a clothesline on the terrace. For the individual rooms, there is a common area with a washing machine and a patio for hanging the laundry.

Excursions — There is nothing programmed and we improvise them whenever the weather and the mood are good. If you have not chosen the rental car option, you will probably have to pay a taxi to move around. It usually comes cheap because everything is close and people use to organize and share cars.

Extras

Rental car

You have the possibility of having a rental car ready for you upon your arrival at the airport. All cars are new, have insurance included and you won't need to make any excess deposit.

Here in Spain all cars are manual. If you want an automatic one you have to request it specifically.

Pricing:

- Rental car for 6 days: 200€.
Each extra day: 35€
- Automatic car for 6 days: 300€.
Each extra day: 50€
- One extra driver: 50€

Important:

- You must notify us at least fifteen days before and send us all drivers' driving license
- If the delivery time of your car is later than the pickup time you will need to take an extra day
- We manage your reservation, but any problem or claim should be addressed to the Rental Car company

Companions

If you have chosen a single room or a bungalow you can come along with a family member or friend.

Due to capacity there's a maximum of one companion per attendant.

The cost includes airport shuttle, accommodation and all meals (breakfast, lunch and dinner).

Pricing:

- One companion: 450€

Important:

- You must send us your companion/s documentation (ID / passport).
- If your companion will also attend the workshop you will have to reserve two "shared room" units and we'll lodge you in the same room.
- When you accept our Terms and Conditions, it includes any companion.

Things you must do

It's VERY important:

✓ **Bringing all needed documents:** ID card or passport, driving license and credit card. It's also very recommendable to bring some cash.

✓ **Notifying us about your arrival and departure time and flight number:** It's absolutely necessary so that we can arrange your pick up at the airport. We will need the arrival and departure days, time, the name of the airline and, of course, the flight code number.

✓ **Having all the needed materials for the workshop:** Here in Menorca there are hardly a couple of stores of fine arts materials, and they are not usually provided with everything necessary. So you can't improvise anything if you do not have the necessary material. If you want us to have your materials prepared in Menorca, keep in mind that we need to know in advance so we can place the order.

✓ **Notifying us about any allergy or intolerance:** we need to know so we can tell our cook and prepare adapted menus. We would appreciate your telling us as soon as possible so we can organize it properly.

Still something to do?

✓ **Tell us about your flights:**

menorcapulsar@gmail.com Our recommendation is not to buy flight tickets until we tell you that the workshop is confirmed.

✓ If you want us to have your materials prepared in here, you must notify us in advance. Do not leave this until the last minute!

✓ If you are paying by installments, **keep in mind that the deadline to have it all paid is 30 days before the reception of the workshop.**

any doubts about this, please contact us and explain any medical conditions that may affect the running of the workshop. Some workshops may not be suitable for people with certain medical conditions.

E. In the unlikely event that the named teacher is unable to attend due to illness or other circumstances beyond his control, we would fully refund your fee. If a teacher must leave after a workshop has begun, you will be refunded a pro-rated amount

F. The very nature of the Plein Air Workshops offered requires flexibility by all parties and must allow for alternatives because of weather/local conditions etc. For this reason, the outline itinerary and outdoors workshop description must be taken as an indication of what may take place in the workshop, and not as a contractual obligation

V. Refunds and Transfers

A. Registration fees are neither refundable, transferable nor exchangeable.
